EMBARKATIONS

GREEN – April 25-27

The Blue Retreat gathered over 100 rowers from schools all around Victoria and Tasmania in Wodonga. We had the opportunity to explore in depth what it means to “Live as Christ’s disciples”. It was great to see so many young people gathered and willing to go deeper with their faith and with each other. Thanks to all the team who helped and made the experience possible and also to the rowers, who made the retreat worth while.

GREEN

20 young adults and a few Brothers’ gathered together in Ocean Grove to look at how they can strive to live as a Christian Community in today’s society. We were able develop friendships and gain a better understanding of where we were all at and what we all wanted to achieve. We are looking forward to a year of serving and ministering to rowers and people in need.
